Last Updated: 10/04/2023

Thank you for choosing Trader Capital LLC ("Trader Capital," "we," "our," or "us") for your stock idea alert service needs. This Return Policy outlines our policies regarding returns and refunds for our subscription-based stock idea alert service (the "Service"). By using our Service, you agree to comply with this Return Policy.

1. NO REFUNDS POLICY

Please be aware that Trader Capital does not offer refunds for subscription fees paid for our Service. This policy is based on the nature of our Service, where subscribers gain immediate access to our server and the Service upon upgrading their subscription. As such, all subscription fees are considered non-refundable. If you believe your situation may be an exception, reach out through an appeal form accessible on WHOP and our company will review.

2. CANCELLATION OF SUBSCRIPTION

You have the right to cancel your subscription at any time by following the instructions provided on our W or contacting our customer support. Upon cancellation, your subscription will remain active until the end of the current billing cycle, and you will not be charged for any subsequent billing cycles. However, no refunds will be provided for fees already paid.
