

FluidTrades operates a strict NO REFUND policy on all purchases. By purchasing any of our services or products you acknowledge that all sales are final and no refunds will be provided under any circumstances. This includes but is not limited to:

- Subscription plans of any length
- One-time purchases
- Purchases made with currency or cryptocurrency
- Situations where you forgot to cancel an auto-renewing subscription
- Dissatisfaction with our services for any reason

We do not make exceptions to this no refund policy for any reason. If you're not entirely happy, you can easily cancel your subscription from your [My Account page](#) with a simple click. Please carefully review what you are purchasing before completing your transaction, as all sales are final.

If you have any questions about our services, feel free to contact our support team prior to making a purchase.
