

Crypto Banter No Returns Or Refunds Fulfillment Policy

Last Modified : 6 June 2024

This No Returns Or Refunds Policy is subject to the terms and definitions contained in the Whop Terms of service and applies to all users of the e-commerce marketplace platform located at each of our listed products, including but not limited to:

<https://whop.com/thewhaleroom>

<https://whop.com/thesniperclub>

<https://whop.com/easyalgo>

<https://whop.com/thefrontrunners>

No Returns

1.1. By virtue of your purchase you acknowledge and agree that, due to the proprietary nature of the services and the Software Tools or Bots made available for purchase on the Site, Crypto Banter cannot and does not accept returns of any Software Tools, Services or Bots sold through the Site or Whop Marketplace. Crypto Banter shall not be responsible for ensuring the return of any Software Tools, Services, Bots, or any other products or enforcing the individual return policy of any Seller.

No Refunds

2.1. Unless otherwise provided in the Whop Terms of Service, you acknowledge and agree that Crypto Banter does not provide refunds for any Software Tools, Services, or Bots sold through the Site or Whop Services and that Crypto Banter shall not be responsible for ensuring or enforcing the individual refund policy of any Seller.

2.2. In the instance of you not claiming access to any of the services pertaining to Discord, Telegram or TradingView on a particular Whop product listed above, a maximum of two months worth of the product shall be refunded after your refund claim is initiated.

Copyright and Intellectual Property Infringement

3. 1. All information shared within the Front Runners cryptocurrency trading Discord server, whether by the team or members, is strictly confidential and is not to be shared outside of the server. Unauthorized distribution or use of this information will result in immediate suspension, removal, or banning from the server. In severe cases, legal action may be pursued, and the offending party will be reported to Discord and Whop for broader disciplinary measures. Respecting the intellectual property rights of all participants is essential to maintaining the integrity and value of our community.
