

User License

Permission is granted to access materials on the Discord for personal, non-commercial transitory viewing only. This is the grant of a license, not a transfer of title, and under this license, you may not:

- Share the materials;
- Modify or copy the materials;
- Use the materials for any commercial purpose, or for any public display (commercial or non-commercial);
- Attempt to decompile or reverse engineer any software contained on the Discord;
- Remove any copyright or other proprietary notations from the materials; or
- Transfer the materials to another person or 'mirror' the materials on any other server.

This license shall automatically terminate if you violate any of these restrictions and may be terminated by this Discord at any time. Upon terminating your viewing of these materials or upon the termination of this license, you must destroy any downloaded materials in your possession whether in electronic or printed format.

This license grants users/participants access to the Discord's services. The participants are connected to other participants and mentors via the Discord, allowing the participants to provide, receive, and discuss information together by live interaction, contemporaneous with the discussion. The participant may interact with mentors through various channels, such as Zoom sessions, Discord chat, Telegram chat, or email conversations, to evaluate progress and seek assistance in real time.

Payment Plan Policy (If Applicable)

If you purchase this Academy's user license under a payment plan, you indicate that you agree to and are bound to the terms of your payment plan that were communicated to you electronically or orally by a staff member of this Academy's team. A payment plan for this Academy's user license is a legally enforceable contract that obligates you to make your pre-determined payments on time until the full amount is paid. If you default on your payment plan, you are subject to having your user license revoked, and you will still be held legally responsible for the outstanding amount you owe on your payment plan.
