

Pip Club Savage EA - Refund Policy

Effective Date: [01/01/2024]

At Pip Club Savage EA, we are committed to providing high-quality products designed to assist in forex trading. However, due to the nature of our digital products, we have established the following refund policy.

No Refunds - All Sales Are Final

Once you purchase the Pip Club Savage EA, all sales are final. We do not offer refunds, exchanges, or cancellations after the purchase is complete. This policy is in place due to the nature of our digital product, which provides immediate access to valuable content and information.

By completing a purchase, you agree to this refund policy and understand that you are not entitled to any refunds or reimbursements for any reason.

Why No Refunds?

- **Digital Product Delivery:** Once the product is delivered electronically, it cannot be returned or revoked.
- **Intellectual Property:** Our EA contains proprietary information, and refunding after access would compromise this.
- **Fairness:** This policy ensures fairness to all users and protects the integrity of our services.

Product Support

If you encounter any issues with your purchase or have any questions about using Pip Club Savage EA, please contact us at pipclubtrading@gmail.com. We are here to assist you with any concerns or technical difficulties you may experience.

This refund policy clearly states that all sales are final and provides an option for customer support if needed. Let me know if you need any additional changes!
