

## **Disclaimer**

Futures, Equities, and Options trading involve substantial risk. The valuation of futures and options may fluctuate, and as a result, you may lose more than your original investment. In no event should the content of any CMR Publishing LLC (CMR), a Delaware Limited Liability Company: email, chatroom (Discord), or website be construed as an expression of an implied promise, guarantee, or implication by or from CMR, its owners or affiliates, that you will profit, or that losses can or will be limited in any manner whatsoever. Past performance is not necessarily indicative of future results. Information provided on any Crowded Market Report email, chatroom (Discord), or website is intended solely for informative purposes and is obtained from sources believed to be reliable. Information is in no way guaranteed. No guarantee of any kind is implied or possible where projections of future conditions are attempted. By receiving any communication from Crowded Market Report, you agree that any information provided is solely the opinion of Crowded Market Report and its affiliates and not considered to be investment advice of any kind. You agree to trade at your own risk and seek your own professional advice before investing.

The information contained on the [crowdedmarketreport.com](http://crowdedmarketreport.com) website or any other website that has Crowded Market Report or its founding members is provided for educational and informational purposes only. The website contains general information and may not reflect current investment developments or information. The information is not guaranteed to be correct, complete, or current. Crowded Market Report makes no warranty, expressed or implied, about the accuracy or reliability of the information on this website or any other website to which it is linked. Recipients of content from this website or directly from Crowded Market Report should not act or refrain from acting on the basis of any information included in the site without seeking appropriate investment advice from a licensed Industry representative, such as, but not limited to, a Broker/Dealer, Introducing Broker, FCM, or Registered Investment Advisor.

Neither CMR nor founding members are licensed to make such advisements. No information herein is intended as securities brokerage, investment, tax, accounting, or legal advice, as an offer or solicitation of an offer to sell or buy, or as an endorsement, recommendation, or sponsorship of any company, security, or fund. Crowded Market Report cannot and does not assess, verify, or guarantee the adequacy, accuracy, or completeness of any information, the suitability or profitability of any particular investment, or the potential value of any investment or informational source. The reader bears responsibility for his/her own investment research and decisions, should seek the advice of a qualified securities professional before making any investment, and investigate and fully understand any, and all risks before investing.

Crowded Market Report in no way warrants the solvency, financial condition, or investment advisability of any of the securities mentioned in communications or on this site. In addition, Crowded Market Report accepts no liability whatsoever for any direct or consequential loss arising from any use of this information. The information provided is not intended to be used as the sole basis of any investment decision and should not be construed as advice designed to meet the

investment needs of any particular investor. Past performance is not necessarily an indication of future returns.

All purchasers of the Crowded Market Report or other CMR products are encouraged to speak with a licensed representative of their choice regarding the appropriateness of investing/trading or of any particular investment/trading strategy. Crowded Market Report expressly disclaims all liability with respect to actions taken or not taken by the recipient based on any or all of the information or other contents of this site. Crowded Market Report is committed to transparency, however, Crowded Market Report does not guarantee the accuracy of any trade information found online or supplied to the Student or anyone, including but not limited to, trades posted on Kinfo, trade statements, general trade ideas, what interviewers say or write about Crowded Market Report or its founding members. As no one can guarantee transparency without being registered, do not believe us or anyone on the web about what they say about us or anyone. Everything is for educational purposes only. You are responsible for everything.

Any information sent to Crowded Market Report via Internet, email, or through the website is not secure and is done so on a non-confidential basis. However, it will be treated as a confidential communication by Crowded Market Report and will be afforded confidentiality protections provided by law.

**Affiliate Link Disclosure:** Crowded Market Report may use affiliate links on emails, chatroom (Discord), or websites, or other electronic communications. This means that in some cases, when you click links (for instance, to an online retailer), CMR may receive a commission for referred sales. If CMR links to a product, it is because CMR legitimately believes the product can benefit its subscribers or the general public.

**No Refunds/Exchanges:**

Refunds are handled on a case-by-case basis. However, after seven days, no refunds will be given. Please understand that this is a business, not a charity. You bought the product because you wanted to; own up to your own actions. For any questions, contact us at [crowdedmarketreport@gmail.com](mailto:crowdedmarketreport@gmail.com)

**Commission Rule 4.41(c)(1)** applies to “any publication, distribution or broadcast of any report, letter, circulation, memorandum, publication, writing, advertisement, or other literature...”

Commission Rule 4.41(b) prohibits any person from presenting the performance of any simulated or hypothetical futures account or futures interest of a CTA (Crowded Market Report is not a CTA), unless the presentation is accompanied by a disclosure statement. The statement describes the limitations of simulated or hypothetical futures trading as a guide to the performance that a CTA (Crowded Market Report is not a CTA) is likely to achieve in actual trading.
