

## **DISCLAIMERS: APE ASYLUM**

Welcome to Ape Asylum, the home of high-risk, speculative meme coin chaos! By entering or participating in this section, you fully and irrevocably agree to the following legally binding terms. If you do not agree, leave immediately.

### **1. NOT FINANCIAL ADVICE (SERIOUSLY, IT'S NOT):**

- Nothing in this section constitutes financial advice, investment guidance, or any form of professional recommendation.
- Content shared here—including messages, posts, memes, charts, predictions, or even sarcasm—**is for entertainment purposes only**.
- Do not make any financial or investment decisions based on information found here without consulting a licensed financial advisor.

### **2. HIGH-RISK ASSETS: EMBRACE THE CHAOS:**

- Meme coins are speculative, volatile, and inherently high-risk assets. They are often subject to extreme market manipulation, illiquidity, and sudden loss of value.
- You may lose some, most, or **\*\*all\*\*** of your investment. The potential for loss is **very real and likely**.
- Investing in meme coins is akin to gambling. **If you cannot afford to lose it all, you should not participate.**

### **3. WE WILL NEVER ASK FOR MONEY:**

Neither the admins, moderators, contributors, nor any official representative of this server will ever ask you for money, personal information, or access to your wallet. If someone asks for these, it is a scam. Report it immediately.

### **4. INDEPENDENT CONTRIBUTORS:**

- Contributors in this section are not employees or representatives of Crypto Banter. They are independent contributors who share personal opinions and insights.
- The views and information shared by contributors do not represent the official stance of Crypto Banter.

### **4. NO WARRANTIES OR GUARANTEES:**

- This server, its owners, admins, moderators, or members make **no guarantees** about the accuracy, reliability, or usefulness of any information shared in this section.
- All information provided may be incomplete, outdated, biased, or incorrect.

- The discussion of any specific coin, token, or project does not imply endorsement or reliability.

## **5. FULL RESPONSIBILITY ON YOU:**

- You acknowledge and agree that **you alone** are responsible for your financial decisions, actions, and outcomes.
- You irrevocably waive all liability and claims against this server, its owners, admins, moderators, and members for any financial losses, damages, or negative consequences incurred as a result of your participation in this section.

This includes but is not limited to:

- Financial loss (partial or total)
- Emotional distress
- Reputational harm
- Tax implications or legal issues

## **6. CONDUCT YOUR OWN DUE DILIGENCE (DYOR):**

- Always verify any information independently before acting on it.
- Conduct thorough research, seek professional advice, and understand the risks involved in investing in meme coins or other speculative assets.
- Do not rely on this server, its members, or its content as a substitute for professional research or advice.

## **7. LEGAL & TAX IMPLICATIONS:**

- Participation in meme coin markets may have tax or legal consequences in your jurisdiction. It is your sole responsibility to comply with applicable laws and regulations.
- This server does not provide legal, tax, or regulatory advice.

## **8. NO EXPECTATION OF PROFIT:**

- Discussions in Ape Asylum are speculative and often exaggerated for comedic or entertainment purposes.
- You should not enter this space with any expectation of making profit or gaining financial benefit.

## **9. VOLATILITY AND SCAMS:**

- Meme coins are prone to pump-and-dump schemes, rug pulls, and other fraudulent activities.
  - This server does not vet or verify the legitimacy of any projects discussed in Ape Asylum.
- Proceed at your own risk**

## **10. WAIVER OF LIABILITY:**

- By participating in Ape Asylum, you explicitly release this server, its owners, admins, moderators, and members from all liability for any losses, damages, or negative outcomes resulting from your participation in this section.
- This waiver applies to any and all claims, including but not limited to: negligence, misrepresentation, or lack of due diligence by others.

#### **11. FINAL WARNING: ENTER AT YOUR OWN RISK:**

- **Ape Asylum** is a chaotic environment intended for entertainment and community engagement.
- By participating, you acknowledge that you are willingly embracing the risks, volatility, and speculative nature of meme coins.
- **If you lose your investment, that is entirely on you. If you win, congrats—you're still on your own.**

#### **\*\*BY ENTERING APE ASYLUM, YOU:\*\***

1. Confirm that you have read and understood this disclaimer in full.
2. Acknowledge the risks and responsibilities outlined above.
3. Agree to hold this server and its community harmless for any losses, damages, or negative outcomes you may experience.

Meme coins are volatile, speculative, and risky. This is NOT financial advice. Do your own research, accept the risks, and take full responsibility for your actions. If you're here, you're aping at your own risk.
