

Crypto Redemption LLC - Return Policy

Effective Date: 1/29/2025

At Crypto Redemption LLC, all sales are final, and we do not offer refunds under any circumstances. By purchasing a subscription, customers gain instant access to our course material, which can be saved or recorded by the user. Due to the nature of digital content, we cannot reclaim access once granted, and therefore, refunds are not possible.

1. NO REFUND POLICY

By purchasing our subscription, you acknowledge and agree that:

- All purchases are final and non-refundable.
- Once access is granted, the digital content can be viewed, saved, or recorded by the user, making refunds impractical.
- We do not provide refunds or credits for partially used subscription periods.

2. EXCEPTIONS

- If there is an error in processing your payment resulting in duplicate charges, please contact us at solanalpha@gmail.com for resolution.
- If you experience technical difficulties that prevent you from accessing the course material, we will work with you to resolve the issue but will not issue a refund.
