### **General Terms**

**The opinions, ideas, thoughts presented on waveglobaltrading.com are for informational and educational purposes only and should not be construed to represent trading or investment advice. None of the information contained herein constitutes a recommendation that any particular security, portfolio, transaction, or investment strategy is suitable for any specific person. We are not advising you personally concerning the nature, potential, value or suitability of any particular security, portfolio, transaction, investment strategy or other matter. As such, subscribers agree that under no circumstances neither Wave Global Trading nor Wave Global, LLC, be held liable for any loss or damage caused by your reliance on information obtained from this website, including any articles, videos or other materials. Options involve substantial risk and are not suitable for all investors.**

**All opinions, ideas, and thoughts are based upon information considered reliable, but neither Wave Global Trading, nor Wave Global, LLC. Warrant its completeness or accuracy, and it should not be relied upon as such. While efforts will be made to ensure accuracy of information, Wave Global, LLC is under no obligation to update or correct any information provided on this website. All statements, ideas, opinions and thoughts are subject to change without notice.**

**All opinions, ideas, and thoughts on waveglobaltrading.com and its product offerings are for information and educational purposes only, as such, Wave Global Trading cannot guarantee any specific outcome or profit. You should be aware of the real risk of loss in following any strategy or investment discussed on this website, including any articles, videos or other materials. Strategies or investments discussed may fluctuate in price or value. 100% loss occurs regularly with most options ideas. Investors may get back less than invested.**

**Investments or strategies mentioned on this website, including any articles, videos or other materials may not be suitable for you. This material does not take into account your particular investment objectives, financial situation or needs and is not intended as recommendations appropriate for you. You must**

**make an independent decision regarding investments or strategies mentioned on this website, including any of the articles, videos or any other material mentioned. Before acting on information on this website, you should consider whether it is suitable for your particular circumstances and strongly consider seeking advice from your own financial or investment adviser. Investors should be aware of potential risks involving options trading, including losses, and are advised to consult with an investment professional.**

**Be sure to read the OCC's Characteristics and Risks of Standardized Options to learn more about options trading.**

## **LEGAL NOTICE**

**waveglobaltrading.com and Wave Global, LLC, do not give individualized stock market advice. We publish opinions, ideas and thoughts regarding companies in which we believe our subscribers may be interested. These opinions, ideas, and thoughts are intended for information and educational purposes only. They are not intended to be personalized recommendations to buy, hold, or sell any securities. Investments in the securities markets, and especially in options, are extremely speculative and involve substantial risk. All options investments mentioned on waveglobaltrading.com involve 100% risk. Only you can determine what level of risk is appropriate for you. Prior to buying or selling an option, an investor must have read a copy of Characteristics and Risks of Standardized Options. The booklet can be accessed at the options clearing corporation's website at**
