Betropolis - Privacy Policy

Last Updated: [Date]

1. Introduction

Welcome to Betropolis. Your privacy is important to us, and this Privacy Policy explains how we collect, use, and protect your information when you use our Discord server ("Server").

2. Information We Collect

When you join and participate in Betropolis, we may collect the following types of information:

- Discord Information: Username, user ID, and messages sent within the Server.

- Payment Information: If applicable, subscription details processed through third-party services (e.g., Whop).

- Usage Data: Interaction logs, participation in discussions, and engagement with features.

3. How We Use Your Information

We use the collected information to:

- Operate and maintain the Server.

- Improve user experience and provide support.

- Monitor and enforce compliance with our Terms of Service.

- Communicate with members regarding updates and promotions.

4. Information Sharing & Disclosure

We do not sell or share your personal information with third parties, except:

- When required by law or legal authorities.

- If necessary to protect our rights, enforce policies, or respond to security concerns.

- With trusted third-party services (e.g., payment processors) to facilitate transactions.

5. Data Security

We implement reasonable security measures to protect user data. However, we cannot guarantee absolute security due to the nature of online communications.

6. Your Rights & Choices

You have the right to:

- Request access to your personal data.

- Ask for corrections or deletion of your information.

- Opt-out of promotional communications.

7. Third-Party Links & Services

Betropolis may include links to external platforms or services. We are not responsible for their privacy practices, and users should review their policies separately.

8. Changes to this Privacy Policy

We reserve the right to update this Privacy Policy at any time. Continued use of the Server after changes means you accept the revised terms.

9. Contact Information

For questions or concerns regarding this Privacy Policy, please contact the Betropolis Admin Team within the Server.

By using Betropolis, you acknowledge and agree to this Privacy Policy.
