## Media Labs Refund Policy

### 1. Refund Terms

#### 1.1 Payment Plans

All payment plans are non-refundable. By enrolling in a payment plan, you agree to pay the full amount over the scheduled installments, regardless of usage or cancellation status. Payment plans are a commitment to the total cost of the product or service and are not eligible for refunds—either in full or in part. Failure to complete payments as agreed may result in account suspension and loss of access to services.

#### 1.2 Subscriptions and One-Time Payments

All sales are final. Refunds are not available for subscriptions or one-time payments.

#### 1.3 Non-Usage or Missed Cancellations

We do not offer refunds due to non-usage of a membership. It is the responsibility of the customer to manage and cancel their subscription prior to renewal if they do not wish to continue. Forgetting to cancel or choosing not to use the membership does not qualify for a refund, as full access to the service was still provided.

#### 1.4 Media Labs Deposits

All deposits made to secure a spot with Media Labs are non-refundable. By submitting a deposit, the client confirms their intention to join and participate, and a space is reserved specifically for them. These deposits represent a commitment and are used to allocate internal resources—therefore, no refunds will be issued under any circumstances, including changes of mind, delays, or non-participation
