

# Beami Refund Policy

**Effective Date: 4/1/2025**

At **Beami LLC**, we are committed to providing creators with premium access to brand deal opportunities, resources, educational materials, and exclusive tools through our membership platform.

By subscribing to Beami, you acknowledge and agree to the following terms regarding refunds and returns:

---

## No Returns or Refunds Policy

All purchases are final.

Beami offers a **lifetime subscription**, not a monthly membership. When you subscribe, you are either:\n- Paying the full amount upfront (\$995 USD), or\n- Electing to pay in monthly installments until the full \$995 is paid.\n\nRegardless of payment structure, you are entering into a commitment to pay the full \$995. Early cancellation, lack of usage, or dissatisfaction does not cancel your financial obligation.

**Under no circumstances will Beami LLC issue refunds, including but not limited to:**

- Change of mind or dissatisfaction after enrollment.
- Lack of platform usage or engagement.
- Forgetting to cancel or failure to complete installment payments.
- Dissatisfaction with brand deal availability, campaign outcomes, or networking results.
- Technical issues not promptly reported and unresolved by Beami support.
- Voluntary or involuntary termination of access due to violations of our Terms of Service.

Upon subscription, users immediately gain access to Beami's intellectual property, internal resources, proprietary tools, curated opportunities, and private community spaces. Given the instantaneous access to valuable and non-recoverable information and relationships, **refunds are not offered under any circumstances.**

## Performance Guarantee Clause

Beami provides a performance guarantee (see Terms of Service) under very specific conditions.

A refund under this guarantee may only be considered if you...

- Attend at least one (1) Beami coaching call per month for 12 consecutive months.
- Apply to at least twenty (20) brand campaigns per month during that time.
- Maintain uninterrupted active subscription payments (full \$995 paid).
- Submit clear, verifiable documentation proving all participation requirements were met.

Failure to meet **any** of the above criteria voids eligibility for the performance guarantee refund.

All refund requests must be made in writing to **team@beami.app** within thirty (30) calendar days of completing your 12th month.
