

Levels Sports Picks – No Refund / No Return Policy

By purchasing sports picks, betting advice, or any premium content from **Levels Sports Picks** via this Discord server, you agree to the following terms:

1. **All Sales Are Final**

Once access is provided to our picks or exclusive content, **all sales are final**. **Levels Sports Picks** does not offer refunds for any reason, including on one-time purchases, subscriptions, or donations.

2. **For Entertainment and Informational Use Only**

All content shared by **Levels Sports Picks** is intended for **entertainment and informational purposes only**. Our picks do not come with any guarantees, and they are not intended as financial advice or a recommendation to place bets.

3. **No Promises or Guarantees**

Sports betting involves risk, and there are **no guarantees of success or profit**. While we aim to share valuable insights, past performance does not guarantee future results.

4. **Digital Access – No Returns**

Once digital access to picks or channels is granted, the service is considered **fully delivered**. As such, all products are **non-returnable and non-refundable**.

5. **No Chargebacks**

Any chargebacks or payment disputes after access has been given may result in a **permanent ban from the Levels Sports Picks Discord server** and potential action with the payment provider.

6. **Acknowledgment of Terms**

By completing any payment to **Levels Sports Picks**, you acknowledge and agree to this policy in full.
