Terms and Conditions

Disclaimer & User Responsibility

Icarus Trading Algo is not responsible for any denied payouts from proprietary trading firms, breaches of account rules, or financial losses incurred — including the loss of live trading capital. By using our algorithm, you acknowledge that trading involves significant risk and that you should never trade with funds you cannot afford to lose.

The performance of the algorithm is not guaranteed, and results may vary. This tool is designed to assist with trading strategies, not to serve as a guaranteed path to profits or a "get rich quick" scheme. The user assumes full responsibility for the outcomes resulting from the use of the algo, including adherence to trading rules, risk management, and decision-making. Refunds will not be issued due to failed accounts, breached rules, or poor trading results.

Risk Disclaimer

Futures trading involves significant risk and is not suitable for all investors. By purchasing or using the Icarus Trend Algo or any other trading bots produced by Icarus, you acknowledge and agree that:

1. **Risk of Loss:** Futures trading is highly speculative and carries a substantial risk of loss. You should never trade with capital you cannot afford to lose. The Product does not guarantee profits, and you may lose some or all your invested capital.

2. **No Guarantees:** Past performance of the Product or any associated trading strategies is not indicative of future results. No guarantees, representations, or warranties are made regarding potential profits, losses, or success rates. The Product is a tool, not a guarantee of financial success.

3. **No Financial Advice:** The Product is not a substitute for professional financial advice. You should consult with a qualified financial advisor before making any trading decisions.

Purchases and Refund Policy

1. **All Sales Final:** All purchases of the Product are final. No refunds, returns, or exchanges will be issued under any circumstances, including but not limited to dissatisfaction with the Product, trading results, or changes in personal circumstances.

2. **Non-Transferable:** The Product is licensed for use by the original purchaser only and may not be shared, transferred, resold, or redistributed in any form.

3. **Access:** You will only have access to the Product via the designated platform (e.g., TradingView). You will not have access to the original source code or any proprietary algorithms.

Use of the Product

1. **Personal Responsibility:** By using the Product, you accept full responsibility for all trading decisions made while using the Product. You acknowledge that the Product is a tool to assist in trading decisions, but ultimate responsibility for those decisions lies solely with you.

2. **Educational Purpose:** The Product is intended for educational and informational purposes only. It should not be considered financial, investment, or trading advice. You are solely responsible for your trading actions and outcomes.

3. **No Guarantee of Results:** The Product does not guarantee any specific results, profits, or success in trading. Your success or failure in trading is dependent on various factors, including market conditions, your trading strategy, and risk management.

4. You assume all of responsibility for the creation of the Traderspost.io account and applicable settings, TradingView account and applicable settings, and Broker account and applicable settings (Prop Firm or Live Cash account).

5. Please do not manually trade your Broker account (Live Ca.sh or Prop Firm) and interfere with the way the algo works

Limitations of Liability

1. **No Warranty:** The Product is provided "as is" without any warranties, express or implied. This includes, but is not limited to, warranties of merchantability, fitness for a particular purpose, or non-infringement. The Product is provided for informational and educational purposes only.

2. **No Liability for Losses:** Under no circumstances shall the developers, distributors, or any affiliated parties of the Product be held liable for any losses, damages, or financial hardships resulting from the use of the Product. This includes, but is not limited to, direct, indirect, incidental, consequential, or punitive damages.

3. **Indemnification:** You agree to indemnify, defend, and hold harmless the developers, distributors, and any affiliated parties from any claims, liabilities, damages, losses, or expenses, including legal fees, arising from your use of the Product or any violation of these Terms and Conditions.

Fraud Protection

1. **No Misrepresentation:** The Product is sold as a trading tool, and no claims of guaranteed success, profits, or specific results are made. Any claims of past performance are not indicative of future results. You acknowledge that the Product is not a "get-rich-quick" scheme and that trading involves significant risk.

2. **No Chargebacks:** You agree not to initiate any chargebacks, disputes, or claims with your payment provider or financial institution. All sales are final, and you waive any right to dispute the purchase of the Product.

3. **Confidentiality:** Any information provided during the purchase process will be handled confidentially and will not be shared with third parties. However, the developers and distributors of the Product are not responsible for any unauthorized access to your personal information.

Acknowledgment

By purchasing and using the Product, you acknowledge that you have read, understood, and agreed to these Terms and Conditions. You further agree to consult with a qualified financial advisor before engaging in futures trading or using the Product to inform your trading decisions. You acknowledge that trading involves risk, and you are solely responsible for your trading outcomes.
