

Return Policy

Effective Date: January 2nd, 2025

1. No Refunds

MajorWager LLC is a digital platform offering real-time trading tools and insights. All sales of digital content and subscriptions are final.

2. Subscription Terms

MajorWager operates on a recurring subscription model. By subscribing, you agree to be billed automatically at the beginning of each billing cycle (e.g., monthly or annually, depending on your plan).

3. Free Trial

All new users are eligible for a one-time 2-day free trial. During this trial, users have access to MajorWager's features without being charged.

- **Cancellation During Trial:** You may cancel your trial at any time before the 2-day period ends to avoid being charged.
- **Post-Trial Billing:** If you do not cancel before the trial ends, your selected plan will be billed automatically.

4. Cancellation Policy

You may cancel your subscription at any time from your account dashboard.

- **When You Cancel:** You will retain access for the remainder of your current billing cycle. No prorated refunds will be issued for unused time.
- **After Cancellation:** Your subscription will not renew, and your access will end at the conclusion of your current cycle.

5. Refunds

Because all data and access are delivered digitally and instantly, we do not offer refunds. However, if you believe you were charged in error (e.g., duplicate billing or a failed cancellation), please contact support at support@majorwager.app within 7 days of the charge. We will investigate and resolve legitimate billing issues.

6. Account Misuse and Abuse of Free Trials

To maintain platform integrity, we monitor for fraudulent use of free trials or multiple accounts. MajorWager reserves the right to suspend or terminate accounts suspected of abuse.
