

BetBuilder Refund Policy

Effective Date: 01-01-2024

At BetBuilder, we take pride in providing high-quality digital sports betting services. Due to the nature of our offerings, **all purchases are final and non-refundable**. Once a transaction is completed, we cannot offer a refund as services are rendered immediately and cannot be reversed.

However, we understand that exceptional circumstances may arise. If you believe there has been an error or issue with your purchase, you may **contact us within 48 hours of the transaction**. We will review your case, and at our sole discretion, we may issue a refund based on the validity and reasoning of your request.

To initiate a review, please contact us on Whop or on one of our socials.

Include your account information, transaction details, and a brief explanation of your request.

We reserve the right to approve or deny any refund request. Our decision will be final.
