

BiscuitBet - Return Policy

Last updated: June 14, 2025

At BiscuitBet, we aim to deliver high-quality, data-backed sports insights and tipping services. As our products are digital and subscription-based, we have outlined our return policy below.

1. No Refund Policy

Due to the nature of digital content and the immediate access to our VIP plays and proprietary insights, all purchases are final. We do not offer refunds for subscriptions or digital products once access has been granted.

2. Free Trial

To help you make an informed decision, we offer a one-week Free Trial with no payment required and no sign-up obligation. We encourage users to take advantage of this trial to experience the service before committing to a paid plan.

3. Cancellations

You may cancel your subscription at any time through your Whop account to prevent future charges. Once cancelled, your access will remain active for the duration of your current billing cycle.

4. Exceptional Circumstances

In rare cases of billing errors or technical issues, please contact our support team for resolution. We will investigate and provide assistance as needed:
