

Refund Policy

Effective: June 2025

At Rawstocks LLC, we are committed to delivering high-quality, value-driven trading products and subscriptions. By purchasing or subscribing to any of our services, you agree to the terms outlined in this Refund Policy.

Subscription Terms

Auto-Renewal:

All subscription plans are billed on an automatic renewal basis to ensure uninterrupted access to Rawstocks Premium features, tools, and analytics.

Non-Refundable Charges:

All payments—monthly, annual, or one-time—are non-refundable once processed. This includes charges made through auto-renewal. Due to the digital nature of our services, we do not offer refunds under any circumstance.

Cancellation Policy:

You may cancel your subscription at any time directly through your Whop customer portal. Upon cancellation, your access to Rawstocks Premium content will remain active until the end of the current billing cycle. No further charges will occur after cancellation.

Chargebacks

Service Termination:

If a chargeback is initiated on any payment, all access to Rawstocks services will be suspended immediately, including Discord roles, indicators, and bots.

Outstanding Fees:

You remain responsible for all outstanding balances and any fees incurred as a result of chargeback processing. We reserve the right to pursue collection or take further action to resolve disputes.

Policy Modifications

Rawstocks LLC reserves the right to update or amend this Refund Policy at any time without prior notice. The most current version will always be available at <https://rawstocksl1c.com>.
