Privacy Policy

I respect your privacy. This policy outlines how I collect, use, and protect your information.

1. Information Collected

- Contact info: Name, email, phone number
- Payment details (processed securely via third-party platforms)
- Communication data from one-on-one sessions, emails, or text exchanges

2. Use of Information

Your data is used to provide mentorship services, respond to inquiries, and improve your experience.

3. Data Sharing

I do not sell or share your information with third parties. Only authorized personnel will access your data when necessary.

4. Data Security

I use industry-standard security measures to protect your personal data.
