

Epic Edge™ Privacy Policy

Effective Date: July 13, 2025

This Privacy Policy outlines how Bored Yeti ("we," "us," or "our") collects, uses, and protects your personal information when you purchase or use the Epic Edge™ indicator via TradingView and Whop.

1. Information We Collect

When you purchase or access Epic Edge™, we may collect the following information:

- Your name and email address
- TradingView username (for access delivery)
- Payment details (processed securely via Stripe through Whop)
- Purchase history and usage data

We do **not** store any payment card information directly. All transactions are handled by Whop and processed through **Stripe**, a secure and PCI-compliant payment processor.

2. How We Use Your Information

We use your information to:

- Deliver and manage your access to Epic Edge™
 - Communicate with you about your subscription, product updates, or support inquiries
 - Monitor for unauthorized use or abuse of the service
 - Comply with legal and regulatory obligations
-

3. Sharing of Information

We do **not** sell or rent your personal data. Your information may be shared only with trusted third parties to operate our business:

- **Whop** for managing purchases and access control
 - **Stripe** for secure payment processing
 - Email services for essential communications
-

4. Data Security

We implement security measures to protect your data. While no online platform is completely secure, we use trusted partners and industry-standard protections to minimize risks.

5. Your Rights

You may request to:

- Access or update your personal information
- Delete your data (except when legally required to retain it)
- Withdraw consent to communications

To make such a request, contact us at support@boredyeti.com.

6. Data Retention

We retain your information only as long as necessary to provide the service, comply with legal obligations, or resolve disputes.

7. Third-Party Services

Epic Edge™ relies on third-party platforms (TradingView, Whop, Stripe). Each of these services has its own privacy policy. We encourage you to review their policies to understand how your information is used by them.
