

End User License Agreement (EULA)

Effective Date: July 13, 2025

This End User License Agreement (“Agreement”) is between you (“User”) and **Cyberflow’s Academy** (“we,” “us,” or “our”). By accessing or using any of our digital products—including but not limited to video courses, tools, resources, or downloadable files—you agree to the terms of this license.

1. Grant of License

Upon purchase, we grant you a **non-exclusive, non-transferable, revocable license** to access and use our content **for personal, non-commercial, educational use only**.

2. Restrictions

You agree **not to**:

- Reproduce, distribute, share, resell, or sublicense any part of the content
- Use the content for commercial gain or public teaching without written consent
- Modify, reverse-engineer, or create derivative works from our content or tools
- Share login credentials or give access to third parties

Doing so will result in immediate termination of your access, without refund, and may result in legal action.

3. Ownership

All content remains the intellectual property of **Cyberflow’s Academy**. You are purchasing access—not ownership. Nothing in this agreement transfers any rights, titles, or interests to you.

4. Termination

We reserve the right to terminate your license at any time if you breach any part of this agreement. Termination will result in immediate revocation of access without refund.

5. No Warranty

All content is provided “as is,” without warranties of any kind, express or implied. We do not guarantee specific results or outcomes.

6. Limitation of Liability

Cyberflow’s Academy shall not be liable for any indirect, incidental, or consequential damages resulting from the use or inability to use the content.
