

FutrGroup Return Policy

Effective Date: January 3, 2025

Last Updated: January 3, 2025

Because FutrGroup memberships (Lite and Pro) are digital services with immediate access upon purchase, we maintain a strict no-return, no-refund policy.

1. All Sales Final

All membership purchases are final. Once access has been delivered, no returns or refunds will be issued.

2. No Physical Products

Memberships are digital services. There are no physical goods to return or exchange.

3. Unauthorized Use or Violations

If a member violates the Terms of Service (e.g., account sharing, reselling content, or abusive behavior), FutrGroup reserves the right to terminate access without refund.

4. Legal Exceptions

Refunds may only be granted if required by applicable law. Otherwise, all sales are non-refundable.
