

## **Refund Policy**

Since the product consists of digital content provided immediately after purchase, there is no right of withdrawal in accordance with § 356 (5) BGB, provided the buyer has expressly consented to the immediate execution and acknowledged the forfeiture of the right of withdrawal.

By purchasing an invite-only script via TradingView, the buyer explicitly agrees to waive their right of withdrawal. Therefore, a refund after access has been granted is excluded.

Statutory warranty rights for digital products apply. The offered scripts are standardized software solutions and do not include any individual customization. The input settings are solely intended to allow configuration within the technical framework of TradingView.

Functionality may be affected by future platform updates made by TradingView. A permanent guarantee of functionality cannot be provided.

Note: No guarantee is given for specific trading results or profits.
