

# QuantumResearch – Privacy Policy

## 1. Introduction

This Privacy Policy explains how QuantumResearch collects, uses, and protects your personal information when you access our services through the Whop platform. By using our services, you consent to the practices described in this Policy.

## 2. Data Collection

All user data, including names, emails, and payment information, is collected and processed exclusively through the Whop platform. QuantumResearch does not directly store or process payment details. We have access only to limited information necessary to manage subscriptions, verify access, and provide support.

## 3. Use of Information

QuantumResearch uses personal information solely for the following purposes: - To manage your subscription and provide access to purchased products. - To communicate essential updates or service-related information. - To improve user experience and product functionality. - To schedule one-on-one coaching sessions or support calls if requested.

## 4. Data Sharing and Disclosure

QuantumResearch does not sell, rent, or trade personal information. Data may be shared only with Whop for the operation of the platform or as required by applicable law.

## 5. Data Security

QuantumResearch takes appropriate measures to ensure the confidentiality and security of user data accessed via Whop. However, users acknowledge that no online platform can guarantee absolute security.

## 6. Third-Party Services

Our services are hosted and delivered through Whop, which may use additional third-party providers to process payments or manage user authentication. Please refer to Whop's Privacy Policy for details on their data handling practices.

## 7. User Rights

Depending on your jurisdiction, you may have the right to access, correct, or delete your personal information. Any such request should be made through Whop's official support system, where your account is managed.

## 8. Cookies and Tracking

QuantumResearch does not directly use cookies. Any tracking or analytics features are handled through Whop's platform settings.

## 9. Data Retention

QuantumResearch retains limited user data only as long as necessary to manage active subscriptions or as required by applicable law. Once your Whop account or subscription is terminated, access-related data will no longer be retained.

## 10. Children's Privacy

QuantumResearch's services are intended for adults aged 18 and above. We do not knowingly collect or process data from minors.

## 11. Changes to this Privacy Policy

QuantumResearch may update this Privacy Policy periodically to reflect operational or legal changes. The revised version will be posted on our Whop page, and continued use of our services constitutes acceptance of the updated policy.

## 12. Contact Information

For any privacy-related inquiries, please contact us through Whop support. All communication and account-related requests must be made within the Whop platform to ensure security and authentication.
