

## **Lathyrus Trading — Refund Policy & Terms of Sale**

### **1. Introduction**

This Refund Policy & Terms of Sale (“Policy”) governs all purchases made through Lathyrus Trading on Whop. By purchasing access to any mentorship program, subscription, digital content, or community product, you acknowledge and agree to the following terms in full.

Lathyrus Trading provides educational content, mentorship services, and access to private trading communities. Due to the digital nature of these products, all sales are considered final upon purchase.

### **2. Strict No-Refund Policy**

All sales made through Lathyrus Trading are final. We do not issue refunds, partial refunds, or credits under any circumstances, including but not limited to:

- Change of mind or dissatisfaction with the product or mentorship.
- Inability to use or access the material after purchase.
- Technical issues not caused by our platform.
- Early cancellation of a subscription period.

Once access to the mentorship, digital materials, or private community is granted, the transaction is considered complete and non-refundable.

### **3. Subscription Renewals**

Subscriptions renew automatically based on the term selected at checkout. It is the buyer’s responsibility to manage their subscription within Whop prior to renewal if they wish to cancel. Failure to cancel before a renewal date will not qualify for a refund. No exceptions will be made.

### **4. Chargeback Policy**

Lathyrus Trading enforces a strict no-chargeback policy. By purchasing from our Whop store, you agree not to initiate a chargeback or payment dispute with your financial institution or payment provider for any reason related to your purchase. We reserve the right to submit all necessary documentation to dispute any chargeback with our payment processors. Fraudulent chargebacks are treated as theft of service and may result in further legal action.

## **5. Access Revocation**

Lathyrus Trading reserves the right to revoke access to any product, mentorship, or community if a user violates our terms, attempts to share or resell content, or engages in fraudulent activity. No refunds will be issued in such cases.

## **6. Policy Modifications**

Lathyrus Trading reserves the right to modify or update this Policy at any time without prior notice. The latest version will always be accessible through our Whop store or official communication channels.
